MEMORANDUM

TO: The Governing Board

FROM:  Joseph T. Edmiston, FAICP, Hon. ASLA, Executive Officer

DATE: July 1, 2009

SUBJECT: **Agenda Item V(f): Consideration of resolution authorizing the ability to register/vest and purchase properties at the Los Angeles County Treasurer and Tax Collector Public Auction 2009B.**

Staff Recommendation: That the Governing Board adopt the attached resolution authorizing the ability to register/vest and purchase properties at the Los Angeles County Treasurer and Tax Collector Public Auction 2009B.

Background: The Mountains Recreation and Conservation Authority (MRCA) historically has reserved parcels from the public auction lists, prior to the actual auction. This method results in Chapter 8 Agreements with the Los Angeles County Treasurer and Tax Collectors office. The fruition of the Chapter 8 process at a minimum takes over fifteen months. Often the final purchase price is 25-35 percent greater than the back taxes owed at the auction date. An alternative method for the MRCA to secure tax defaulted properties is to compete for the parcels at the open public auction. The advantage of this method is that staff can avoid the case where parcel costs exceed available funding and know the actual date that funding is due. A public auction is scheduled for mid-August this year.

In order to register bidders to represent the MRCA at this auction, a resolution naming the bidders and authorizing the bidders actions must be adopted, sealed, and notarized. Bidder registration for a public entity requires that the Governing Board authorize the bidders by name. The attached resolution names the following staff members as potential bidders: Joseph T. Edmiston, Jeff Jones, Jeff Maloney, Chris Trumpy, Marc Shores, and/or Garrett Weinstein as potential bidders. Chris Trumpy with the Natural Resources and Planning Division attended the 2009A auction in February 2009 to gain familiarity with the methods and protocol of the auction. Paul Edelman, Chief of Natural Resources will not be available for the two day auction.

Bidder registration requires a \$5,000 registration deposit, in the form of cash, cashiers check, or bank-issued money order, made out to L.A. County Tax Collector. This \$5,000 deposit can be used toward any winning parcel purchase, and any unused amount from the deposit will be refunded to the MRCA within 30 days after the auction. The bidder must register in person at the Tax Collectors office between July 13th and July 31st 2009.

Between now and the August Governing Board meeting, staff will develop a strategy for potential parcels to bid on. At the August meeting, staff will seek authority to use various funds for various parcels or for general areas so as not to totally telegraph the agency's intent.
