MEMORANDUM

TO: The Governing Board

FROM:  Joseph T. Edmiston, FAICP, Hon. ASLA, Executive Officer

DATE: May 7, 2014

SUBJECT: **Agenda Item XX: Consideration of resolution authorizing application for Federal Excess Personal Property in Accordance with United States Forest Service Cooperative Forestry Assistance Act (CFAA) of 1978.**

Staff Recommendation: That the Governing Board adopt the attached resolution authorizing application for Federal Excess Personal Property in Accordance with United States Forest Service Cooperative Forestry Assistance Act (CFAA) of 1978.

Background: The Mountains Recreation and Conservation Authority (MRCA) has an agreement in place with the State of California Department of Forestry and Fire Protection for the loan of Federal Excess Personal Property (FEPP). Due to personnel changes in the MRCA's Fire Division, the Department of Forestry and Fire Protection has asked the MRCA to update the agreement.

The FEPP program provides the MRCA with the loan of various pieces of equipment used in fire fighting and resource protection. These pieces of equipment include several fire engines, trucks, trailers, and generators. There is no cost to the MRCA for use of the equipment.
